BIKE ROUTES

Whether freeride, downhill, cross country, electric bike, road bike or bike tours; in Flims you will find something for everyone, from beginners to professionals and also for families. We will gladly inform you at the front desk about different routes or give you the bike guide in paper form.

Online information at: <https://www.flimslaax.com/en/biking>

CABLE CAR TICKETS

All information regarding mountain railway tickets is available at the front desk. There you can purchase them at a special rate.

BIKE STORAGE

You can park your bike in our underground garage. Even if the garage is closed at night, we recommend securing your bike with an additional lock.

CLEANING THE BIKE

You can wash your bike in front of the garage entrance with the water hose at our cleaning area.

LAUNDRY ROOM

On the 1st floor, in the main house, there is a laundry room. You can do your own washing there (CHF 10.00 per wash, drying included). Please contact the front desk beforehand. Detergent is available.

BATTERY CHARGING STATION FOR ELECTRIC BIKES

You can charge the empty battery of your electric bike in the underground car park, directly next to the garage entrance.

PUMP | REPAIR KIT

If your bike has a flat tire or loose bolts, please ask at the front desk for a pump or for repair kit.
